1. Reporting Entity

Foundation North (the Foundation) is an "in perpetuity" Trust incorporated under the Charitable Trusts Act 1957 and operates under the Community Trusts Act 1999, and the Trusts Act 2019.

As a not-for-profit Public Benefit Entity (PBE) domiciled in Auckland New Zealand, the Foundation distributes grants to qualifying organisations in the Tāmaki Makaurau Auckland and Te Tai Tokerau Northland regions. Through its granting programme the Foundation seeks to enhance the lives of people in its region by equitably sharing and managing its resources. As an "in perpetuity" Trust its resources are held in trust for present and future generations domiciled in the regions.

2. Foundation Structure

The Foundation North Group (Group) consists of the Foundation and its subsidiary companies, Foundation North Grants Limited (Grants Limited), and ASB Community Trust Limited. ASB Community Trust Limited is a dormant company.

The Foundation owns the underlying Group's assets which include an investment portfolio and land and buildings.

Grants Limited holds the Foundation's current year Grant Reserves. Grants are made from these reserves for approved projects under delegation by, or on recommendation from the Foundation's Board. Funding applications, which are received from qualifying organisations are evaluated against the Foundation's funding programme policies.

3. Trustees

The Foundation is governed by a Board consisting of up to fifteen Trustees appointed by the Minister of Finance. They are considered Key Management Personnel, see Note 12 Related Parties. Trustees are appointed for a term of up to four years and may, at the conclusion of their term, be appointed for a further four year term. The Board and its sub-committees operate under the framework of regularly reviewed charters.

Trustees on 31 March 2026 were:

Trustees	Date Appointed
Michelle Tsui	July 2018
Ngaire Rae	July 2018
Romy Udanga	July 2018
David Whyte	June 2019
Maxine Shortland	June 2019
Walter Wells	September 2020
Ling Ling Liang	August 2021
Stephen Titter	August 2021
Tevita Funaki	August 2021
Nicholas Albrecht	January 2025
Vijay Goel	January 2025
Aryana Nafissi	January 2026
Martin Cleave	January 2026
Natalie Bridges	January 2026
Philip Crump	January 2026

Trustees ending their term during the financial year	Date Ended
Hana Maihi	January 2026
Sara-Jane Erika	January 2026
Stephen Park	January 2026

The Board's workload is allocated to the following committees:

- Investment Committee
- Audit, Finance, Risk and Compliance Committee
- Appointments, Remuneration and Governance Committee

During the year, Trustees and staff were required to declare either a direct or indirect conflict of interest in any matters being considered by the Foundation. Conflicts of interest are recorded in a register of interests. Section 8(3) of the Community Trusts Act 1999 requires that trustees who vote in favour of authorising the effecting of liability insurance must sign a certificate stating that, in their opinion, the cost of effecting the insurance is fair to the community trust. Such an instance is disclosed in Note 12 of the financial statements.

* Philip Crump commenced as board chair effective 1 June 2026, replacing Michelle Tsui.

4. Management

The Leadership Group consists of:

Dylan Lawrence - Chief Executive Officer *

Liam Sheridan - Head of Foundation Services

Nicola Brehaut - Head of Strategy and Sector Relations

Audry McLaren - Head of Funding

Alexandra Corbett - Head of Investments and Finance

Tukaha Milne - Kaihautū Ngātahi

Helen Bennett - Kaihautū Ngātahi

** Peter Tynan retired as CEO in August 2025 and was replaced by Dylan Lawrence*

5. Auditor

KPMG

6. Legal Counsel

Chapman Tripp

7. Investment Advisor

JANA Investment Advisors Pty Ltd

8. Custodian

J. P. Morgan Chase Bank (Sydney Branch)

Adminis Custodial Nominees Limited

The Foundation appointed Adminis as new custodian on 10 September 2025, and transitioned assets from JP Morgan between September 2025 and April 2026. JP Morgan held a small number of assets at 31 March 2026.

9. Independent Investment Committee Chair

Francis Jasper

10. Main Sources of Cash and Resources

The Foundation's main source of funds is from returns on its diversified investment portfolio. Since inception (1994) the portfolio has earned an annual net investment return of 7.9%.

Chair's Report

I am pleased to present my first Annual Report on behalf of the Trustees of Foundation North.

I begin by acknowledging and thanking Michelle Tsui for her outstanding leadership and dedication during her eight-year tenure as a Trustee and since June 2024, as Chair. Michelle's commitment to our purpose, her stewardship of the Board, and her contribution to strengthening our impact across the region have left a lasting legacy. On behalf of the Board, I extend our deep appreciation for her service.

During this past year, we farewelled three excellent Trustees: Sara-Jane Elikā, Hana Maihi and Stephen Park - ngā mihi maioha for your dedicated service. It was a privilege to join the Board alongside Natalie Bridges, Martin Cleave and Aryana Nafissi, and I look forward to the contributions my fellow new Trustees will bring to the Foundation's work.

The Board is grateful for the leadership of our Chief Executive Dylan Lawrence and his senior leadership team. The important work Foundation North undertakes depends entirely on the quality, commitment and care of our staff, and the Board thanks them for their dedication to translating our strategy into real outcomes for communities across Tāmaki Makaurau and Te Tai Tokerau.

The Foundation's financial performance for the year ended 31 March 2026 was strong, with the investment portfolio return of 13.1% exceeding our target return by 5.5%. This sets the Foundation up well to continue with our impactful granting, which saw \$72m of funding and other support awarded to 864 community groups in the year. The Board remains focused on guiding the Foundation's strategy in a way that delivers meaningful and measurable change for people and places across Auckland and Northland.

We look forward to hosting the Combined Community Trusts conference at Waitangi in November 2026 as the sector begins to look toward the bicentenary of the signing of the Treaty of Waitangi in 2040. This will be an important opportunity to reflect collectively on how our institutions can continue to contribute to the vision of shared prosperity that Te Tiriti envisages.

Philip Crump, Board Chair

CEO's Report

This Annual Report marks my first as Chief Executive, and it is a privilege to reflect on the organisation's progress. Over the past nine months, I have taken the time to listen, learn, and engage with our people, partners, and communities. What is clear is the strength of our foundations, the passion of our team, and the opportunity ahead.

Foundation North's purpose is simple and enduring: to enhance the lives of communities across Tāmaki Makaurau and Te Tai Tokerau. That purpose continues to be the guiding light for our funding, our relationships, our investment thinking and the way we work as an organisation.

The Foundation's investment portfolio continues to perform well, providing a strong and growing funding base that underpins our work across the region. Our financial resilience enables the Foundation to continue delivering meaningful impact through granting and support to more communities across Tāmaki Makaurau and Te Tai Tokerau in the year ahead.

I want to acknowledge the Trustees for their stewardship, our staff for their commitment and professionalism, and many community organisations and partners who trust us with their stories, aspirations and challenges.

I embrace the legacy left by Peter Tynan and our priority in the year ahead is to keep deepening alignment between purpose, performance, and impact. We will continue to listen, learn and improve, while staying focused on supporting enhanced lives for the people of Tāmaki Makaurau and Te Tai Tokerau.

Nā tō rourou, nā taku rourou, ka ora ai te iwi

With your contribution and ours, the people will thrive.

Dylan Lawrence, CEO

Officials' Report

Introduction

The Trustees are pleased to present the annual financial statements for the financial year ended 31 March 2026. The entity is engaged as a Community Funder in New Zealand. The entity's business and operations, and the results thereof are clearly reflected in these annual financial statements.

Statement and responsibility

The Trustees are responsible for the maintenance of adequate accounting records, the preparation and the integrity of the annual financial statements and all related information.

The Trustees are also responsible for the entity's system of internal financial controls. These are designed to provide reasonable - but not absolute - assurance as to the reliability of the annual financial statements and adequately safeguard, verify and maintain accountability of assets.

The annual financial statements are prepared on a going-concern basis as the Trustees have every reason to believe that the entity has adequate resources in place to continue in operation for the foreseeable future.

Events after the reporting period

There are no facts or circumstances of a material nature that have occurred between the accounting date and the date of this report.

Approval

The annual financial statements were approved by the Trustees.

Consolidated Statement of Service Performance

Moemoeā | Our Vision:

Whatītike oranga Enhanced Lives

Tā tatou whāinga | Our Purpose:

Pūtea kaitiakitanga, hāpai oranga. To enhance lives through responsible guardianship of our investments and focused funding, anchored by our commitment to Te Tiriti.

Statement of Service Performance Objectives

The SSP aligns outputs and outcomes into the four key funding and non-funding support objectives shown below.

To support granting, the investment portfolio needs to achieve its target return (over the long-term) and maintain a portfolio valuation above inflation adjusted (real) capital. These are the two Investment objectives of the Trustees, and the outcome is reflected in the Investment mahi section of the SSP.

Impact and Community Funding

Our strategic plan, approved by our Trustees, has determined two key funding pathways:

Impact funding and Community funding.

Impact funding enables us to proactively and flexibly fund kaupapa and initiatives of high complexity that aim to effect significant inter-generational change. Impact funding might include funding prototypes or trial approaches, the seeding of new ideas, taking projects to scale, applying alternative granting models and working at a system change level.

Community funding is responsive to community needs and aspirations, and initiatives that contribute to our vision/strategy. Community funding has two size-based pathways; Quick Response Grants - designed to meet the applicants' funding needs quickly and easily up to a value of \$25,000; and Community Grants - for funding >\$25,000 to help community organisations with larger funding needs and can be multi-year grants.

Over the last three years we have been intentionally working towards increasing our Impact funding, while continuing to support Community funding. The Impact funding target for the current year was to achieve 50% Impact funding (50% Community funding) compared to 40% Impact and 60% Community funding in the prior year.

Impactful Mahi

As the community trust for Tāmaki Makaurau Auckland and Te Tai Tokerau Northland we continue to work towards achieving our vision by providing funding and capacity & capability support to not-for-profit initiatives large and small, to respond to their communities now and for generations to come.

To maximise the benefit of our funding our Trustees have set a 15-year strategic plan (2018 - 2033) with annual business plans where funding is aligned with our four strategic focus areas and predominantly directed towards our nine priority communities located within Tāmaki Makaurau Auckland and Te Tai Tokerau Northland. In honour of our commitment to Te Tiriti o Waitangi and to support a just climate transition, funding is also aligned to these activities.

Funding Pathways

- Impact Funding
- Community Funding

Funding Focus Areas

There is no fixed budget for each focus area, granting is made to organisations that demonstrate alignment with our focus areas.

Impact Funding	Focus Area	Community Funding
\$12,849,087 40 grants 2025 \$15,527,740 37 grants	 Hāpai te ōritetanga Increased Equity	\$8,841,329 81 grants 2025 \$8,173,230 87 grants
\$5,856,683 18 grants 2025 \$3,633,253 22 grants	 Whakauru mai Social Inclusion	\$7,657,238 100 grants 2025 \$5,823,724 87 grants
\$13,465,623 27 grants 2025 \$8,779,654 17 grants	 Whakahou taiao Regenerative Environment	\$3,009,772 40 grants 2025 \$4,261,799 44 grants
\$637,637 26 grants 2025 \$235,863 6 grants	 Hāpori awhina Community Support	\$19,700,190 532 grants 2025 \$21,745,734 459 grants
\$32,809,030 111 grants 2025 \$28,176,510 82 grants	Total Funding Approved	\$39,208,529 753 grants 2025 \$40,004,487 677 grants

Funding Priority Communities

We take a considered approach across our four focus areas and prioritise initiatives that are ‘for’ one or more of our priority communities. These 9 communities were identified through our strategic review process and in the development of our Focus Area Theories of Change. They include Tangata Whenua, Pacific peoples, communities of Northland, communities of South Auckland, children and young people, former refugees, new migrants, Rainbow communities and people living with a disability. There are no budgets for each community and where more than one community is identified as benefiting, the grant amount has been pro-rated evenly between those communities.

Grant Funding by Priority Communities

Grant Funding by Number of Priority Communities Identified

Non-Funding Support

Non funding support includes activities funded from our operating expense budget. Activities include partnerships with priority community organisations; co-designed initiatives with shared funding decision-making; brokering and convening co-funding opportunities; capacity and capability building of philanthropic groups; collaborating with tangata whenua and other key stakeholders; sharing our insights and advocacy.

Operational support	2026 \$000	2025 \$000
Actuals spent	1,981	1,953

Investment Mahi

A core investment objective, essential to fulfilling our vision, is to ensure money is consistently available for grant funding, through investment returns above our Target return over the long term (rolling 5 years). As a long-term investor, we have managed our investment portfolio in alignment with our Statement of Investment Policies and Objectives (SIPO). This includes adhering to our Responsible Investment (RI) Policy where we aim to minimise harm and seek positive impacts while generating wealth.

	2026	2025	5yr p.a.	Since inception (05/94) p.a.
Portfolio Amount \$000	\$1,941,640	\$1,793,784	N/A	N/A
Portfolio return	13.1%	5.0%	8.0%	7.9%
Target return CPI + 4.5%	7.6%	7.0%	9.2%	7.4%
Variance to target	5.5%	-2.0%	-1.2%	+0.5%

Grant funding was maintained in accordance with the spending and reserving policy which requires the portfolio valuation to remain above inflation adjusted capital (real capital). The inflation metric used is the Reserve Bank of NZ Consumer Price Index (CPI). The CPI % for the current financial year is 3.1% (2025: 2.5%). Overall, the portfolio remains well positioned with group reserves of \$652.24m (2025: \$542.43m) above real capital.

Positive Reserves - Trust Fund value exceeds Real Capital

Disclosure of Judgements

In determining key service performance information for the Foundation's reporting that best reflect its strategic grant making approach, management has used judgement based on indicators that align with our purpose and the activities of the Foundation identified in our Theory of Change and reflected in our rolling 3-year Business Plan. One of the main selection criteria is the ability of each activity to leverage and enhance the impact of the Foundation's funding to community organisations. While the Foundation does have discretion over these, we seek to maintain consistency across years where appropriate and to determine service performance information that is relevant, reliable, neutral, understandable, and complete.

Consolidated Statement of Comprehensive Revenue and Expense

For the year ended 31 March 2026

	Notes	2026 \$000	2025 \$000

The accompanying notes are an integral part of these consolidated financial statements.

Notes to the Financial Statements

1. Accounting Policies and Explanatory Notes

Basis of preparation

The Foundation's financial statements are prepared on the following basis:

Statement of Compliance

The financial statements have been prepared in accordance with New Zealand Generally Accepted Accounting Practice (NZ GAAP). They comply with Tier 1 PBE Accounting Standards (Not-for-Profit) and with the provisions of the Community Trusts Act 1999 and the Financial Reporting Act 2013.

Functional and Presentation Currency

These financial statements are presented in thousands of dollars unless otherwise stated. New Zealand Dollars is the functional and presentation currency.

Basis of Measurement

Historical cost is the basis of measurement except for financial assets and liabilities (designated at fair value through revenue or expense) and land and buildings (which are revalued at five yearly intervals). The financial statements have been prepared on a going concern basis.

Comparative Information

There have been no material reclassifications that impact the overall financial performance or financial position of the comparative year.

Key Judgements and Estimates

The preparation of these financial statements requires the use of management judgement, estimates and assumptions that affect reported amounts and the application of accounting policies. Information about estimates and judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements are included in Note 6 Investments.

Taxation

The Foundation is exempt from New Zealand income tax and therefore no provision has been made in these financial statements.

Material Events after Balance Date

There were no material events after balance date which required adjustment to the Financial Statements for the year ended 31 March 2026.

Applicable Accounting Standards Issued but not yet Effective

On balance date there were no new standards identified as issued but not yet effective.

2. Revenue from Investments

Revenue from investments includes interest, dividends, and realised and unrealised gains and losses related to investments classified as fair value through revenue and expense. Interest received is recognised on an accrual basis applying the effective interest rate method. The level of estimation uncertainty on the Foundation's revenue from investments is discussed in Note 7. All financial assets are designated at fair value through revenue or expense upon initial recognition.

Revenue received from investments for the year is summarised as follows:

\$ 000	2026	2025
Distributions and other investment income	55,906	64,406
Net unrealised gains / (losses)	69,391	(89,025)
Net realised gains	119,979	164,431
Net gains / (losses) from foreign exchange	(15,712)	(33,116)
Total investment revenue	229,564	106,696

3. Administration Expenses

\$ 000	2026	2025
Audit fees	133	119
Tax advice (paid to KPMG)	6	34
Amortisation, depreciation and loss on disposal	183	201
Building & IT costs	1,336	1,230
Employee costs & benefits	6,507	5,810
Other costs	3,792	3,603
Other administration expenses	11,957	10,997

4. Grants Expenses

Grants to eligible organisations are expensed when they are approved by the Board. This includes where granting is approved for multi-year initiatives. Payments to recipients are made in line with their grant payment schedule.

Grants that are no longer required or not fully utilised by recipients are disclosed separately in the Consolidated Statement of Revenue and Expense as either grants written back or grant refunds received.

\$ 000	2026	2025
Grants committed and disbursed	43,047	37,048
Grants committed but unpaid	28,971	31,133
Total approved and committed to community groups	72,018	68,181

5. Cash at Bank

Cash at bank consists of cash balances held in a business transaction account and does not include cash or deposits held by Fund Managers.

The Consolidated Statement of Cash Flows does not reflect the cash flows within Fund Managers' portfolios.

Reconciliation of Reported Surplus to Net Cash Flows from Operating Activities

\$ 000	2026	2025
Reported surplus	147,286	28,265
<i>Adjust for non-cash items:</i>		
Amortisation, depreciation, impairment and disposal of fixed assets	183	201
Investment income reinvested	(229,564)	(106,696)
<i>Movements in working capital items:</i>		
(Increase) / decrease in other assets	(5)	401
Increase / (decrease) in sundry accounts payable	172	(220)
(Decrease) / increase in outstanding grants payable	(100)	5,572
Net receipts and payments from fund managers	81,708	69,550
Net cash inflow / (outflow) from operating activities	(320)	(2,928)

6. Investments

Investments meet the definition of financial instruments and are classified at fair value through the Consolidated Statement of Comprehensive Revenue and Expense.

Transactions are recorded by Fund Managers on a trade date basis and are initially recognised at the fair value of the consideration paid. After initial recognition investments are managed at their fair value through revenue or expense. All realised and unrealised gains and losses are recognised in the Consolidated Statement of Comprehensive Revenue and Expense.

Investments are derecognised only when the contractual rights to the cash flows arising from the asset expires or are transferred and the transfer qualifies for derecognition.

Details of portfolio liquidity are disclosed in Note 7.

Investment Portfolio Construction

The portfolio is invested in pooled funds managed by 33 investment managers (2025: 35) recommended by the Foundation's Investment Adviser, JANA Investment Advisors Pty Ltd and approved by the Investment Committee. The Foundation is not involved with the analysis, sale or purchase of individual asset securities. Each asset class and the portfolio as a whole are measured against an appropriate internationally accepted standard benchmark or index.

The Foundation's investment processes and objectives are reflected in the Foundation's Statement of Investment Policy and Objectives (SIPO) updated in November 2025. Investments are categorised based on specific asset classes and include, global equity, trans-Tasman equity, private equity, alternatives (investments with low correlation to equity and fixed income), infrastructure, property (listed and unlisted real assets which are sensitive to inflation), NZ impact investments, private credit, sub-investment grade credit, NZ fixed interest, global fixed interest, and cash. The diversified asset classes aim to provide enhanced risk management and provide greater clarity to users of the financial statements. Refer to Note 7 for more details on the Foundation's risk management.

Portfolio Composition

\$ 000	2026	2025
Global equity	565,693	592,949
Trans-Tasman equity	66,343	62,622
Private equity	394,636	343,886
Alternatives	204,336	200,363
Infrastructure	183,470	159,732
Property	76,763	54,977
NZ impact investments	30,658	18,157
Private credit	90,113	83,763
NZ fixed interest	114,136	58,302
Global fixed interest	74,258	59,687
Managed cash	106,056	106,597
Sub-investment grade credit	65,689	56,918
Forward contracts	(30,511)	(4,169)
Total portfolio	1,941,640	1,793,784

Transactions through the portfolio are summarised as follows:

\$ 000	2026	2025
Portfolio transactions		
Balance as at 1 April	1,793,784	1,756,638
Movements in market value and investment income	229,564	106,696
Net withdrawals	(81,708)	(69,550)
Total portfolio	1,941,640	1,793,784
Fair value hierarchy		
Level 1 *	-	-
Level 2	1,179,574	1,134,931
Level 3	762,066	658,853
Total portfolio	1,941,640	1,793,784
Movements in Level 3 assets		
Opening balance	658,853	545,061
Drawdowns (i.e. advances of capital to managers)	75,002	111,201
Return of capital from managers	(71,628)	(52,876)
Changes in fair value recognised in the Consolidated Statement of Revenue and Expense	99,839	55,467
Closing balance at 31 March	762,066	658,853

Fair Value Hierarchy

PBE IPSAS 30 Financial Instruments: Disclosures requires the disclosure of financial assets according to the Fair Value Hierarchy. There are three levels in the hierarchy:

- Level 1: quoted prices (unadjusted) which are readily available to market participants in active markets for identical assets and prices. These prices are based on actual arm's length basis transactions.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset that are not based on observable market data (unobservable inputs).

** In the current period \$841.6m of financial assets were reclassified from level 1 to level 2. This was a result of additional information being considered in the group's underlying investments active markets. As the reassessment is also relevant to the underlying investments classification in 2025, the comparatives have been re-presented to conform to the current year's presentation.*

Foreign Currency

Foreign currency transactions are recorded in New Zealand dollars at the spot rate applying at the time of the transaction. All outstanding foreign currency balances at balance date are translated to New Zealand dollars at the closing exchange rate for that day. The value of the investment portfolio with currency exposure amounted to \$1,605.2m, 83% (2025: \$1,495.5m, 83%). See currency hedging ratio under Currency Risk section of Note 7 below.

All realised and unrealised foreign currency gains and losses are recognised in the Consolidated Statement of Comprehensive Revenue and Expense.

7. Overall Risk Management

Overall Risk Management

The Foundation's income is generated from its investments which are used to fund its operations and grant funding programmes.

Inherent risks arising from the Foundation's financial assets and liabilities are managed through an ongoing process of identification, measurement, and monitoring. This includes the development of an investment risk matrix. Through its investing activities the Foundation is exposed to credit risk, liquidity risk, and market risk (including currency, interest rate and pricing risks).

Information regarding the fair value of assets and liabilities exposed to risk is regularly reported to management, the Audit, Finance, Risk and Compliance Committee, Investment Committee and ultimately to the Foundation Board.

The Investment Portfolio is regularly rebalanced to ensure that asset classes remain within the ranges defined in the Strategic Asset Allocation set out in the Foundation's Statement of Investment Policy and Objectives (SIPO).

Private Equity Valuation

The Foundation has assessed the fair value of its investment in Private Equity Funds after taking advice from its asset consultant and the private equity fund managers themselves. The Foundation uses the latest financial information available for valuations, which could be up to three months prior to balance date. Subsequent to balance date, management receive and review more recent valuations to satisfy themselves that the Private Equity valuations shown in the financial statements are appropriate. Management consider any unexpected changes caused by these timing differences and consider whether an adjustment to the financial statements may be necessary. Private Equity Fund investments, categorised as Level 3 investments in the Fair Value Hierarchy above, are typically valued based on valuation models which use a combination of observable and unobservable market data. Valuation models that employ significant unobservable inputs require a higher degree of judgement and estimation in the determination of fair value. This includes the selection of the appropriate valuation model to be used, determination of expected future cash flows of the underlying private equity investment being valued, and selection of appropriate discount rates.

Management have made enquiries of private equity fund managers to determine the valuation techniques used and to confirm that these techniques are in accordance with international best practice. However, there remains estimation uncertainty in relation to the fair value of these.

Credit Risk

Credit Risk arises where a counterparty fails to discharge an obligation which will result in a financial loss to the Foundation.

The Foundation manages credit risks through:

- a diversified basket of investments across traditional and alternative assets classes
- the use of a multi-fund manager approach to portfolio investments
- compliance with mandate requirements of each investment
- Standard & Poor's rating categories are used to manage the credit quality of the Foundation's Bond portfolios. At balance date the credit risk ratings of the Bond and Cash portfolios were:

Bond and Cash Portfolio Credit Ratings

	AAA to AA-	A+ to A-	BBB+ to B	CCC, NR Other	2026 \$000
Multi-Asset Credit Fund	0.0%	0.1%	85.3%	14.6%	65,689
New Zealand Bonds	74.8%	6.5%	15.1%	3.6%	114,136
NZ Impact Bond	0.0%	0.0%	0.0%	0.0%	-
Global Bonds	65.6%	12.5%	21.9%	0.0%	74,258
Cash	85.1%	14.9%	0.0%	0.0%	105,406
Total					359,489

	AAA to AA-	A+ to A-	BBB+ to B	CCC, NR Other	2025 \$000
Multi-Asset Credit Fund	0.1%	0.0%	81.2%	18.7%	56,918
New Zealand Bonds	69.4%	17.3%	13.3%	0.0%	58,302
NZ Impact Bond	0.0%	0.0%	0.0%	100.0%	2,002
Global Bonds	63.3%	8.5%	28.2%	0.0%	59,687
Cash	62.9%	37.1%	0.0%	0.0%	102,428
Total					279,337

Liquidity Risk

The Foundation manages its ability to meet current obligations through ensuring it maintains liquidity within the portfolio. The portfolio maintains an allocation to cash in the range of 0-10% of the portfolio. At balance date liquid assets (either cash or investments which could be realised in cash within twelve months) totaled 63.8% (2025: 63.3%).

Market Risk

Market Risk arises from fluctuations in the future value of cash flows from financial assets due to changes in market variables such as interest rates, foreign currency exchange rates, and market prices.

Interest Rate Risk

Interest rate risk is the risk of movements in interest rates and relates primarily to the Foundation's investment in bonds which are held in pooled funds. The bonds are therefore exposed to risk of gains or losses in interest income from movements in New Zealand and offshore interest rates. A variable of 1% was selected for interest rate risk as this is a reasonably possible movement based on trends and current market expectations. This equates to a potential impact of \$3.59m (2025: \$2.77m).

Currency Risk

Currency Risk arises when the Foundation holds investments denominated in a foreign currency and the value of these investments are translated back to a New Zealand dollar value. The Foundation uses economic hedging to mitigate the risks without applying hedge accounting. A variable of 10% was

selected for currency risk as this is a reasonably possible movement based on historic trends and current market expectations. This equates to a potential impact of \$89.87m (2025: \$72.02m).

The following investment assets are hedged back to the New Zealand Dollars at 31 March 2026: Global Equity Assets are 97.7%, Alternative 67.8%, Infrastructure 0.0%, and Global Fixed Interest investments are 100.0% hedged. The Foundation uses economic hedging to mitigate the risks without applying hedge accounting.

At balance date the exposure to currency risk was:

Currency Risk

\$ 000	2026	2025
Financial assets with currency exposure	1,608,953	1,495,487
Hedged currency exposure as at 31 March	(710,211)	(775,290)
Unhedged currency exposure as at 31 March	898,742	720,197
North America	461,517	413,207
Europe & UK	47,323	50,051
Asia	23,543	82,273
Australia	349,101	156,808
Latin America	12,068	7,272
Africa & Middle East	5,190	10,586
Unhedged currency exposure as at 31 March	898,742	720,197

Price Risk

Price risk arises from an increase or decrease in the fair value of the Foundation's financial assets as a result of fluctuations in the market prices of investments. A variable of 20% is considered appropriate for price risk sensitivity analysis based on historic price movements. This equates to a potential impact of \$165.36m (2025: \$153.95m).

8. Fixed Assets

\$ 000	2026	2025
Land	5,500	5,500
Buildings	1,351	1,373
Other fixed assets	819	912
Total fixed assets	7,670	7,785

Fixed assets are stated at net book value. Land (50 – 52 Ponsonby Road) and buildings (Allendale House and Annexe 2013) are measured at fair value at the date of revaluation less subsequent accumulated depreciation and impairment losses. The Foundation's policy requires a full market valuation every five years, with the last valuation undertaken in 2023.

9. Outstanding Grants

Outstanding Grants payable are classified as other liabilities and are initially recognised at fair value and subsequently at amortised cost using the effective interest rate method.

Grants are recognised as liabilities once approved and communicated to recipients. At balance date outstanding grants totaled \$50.65m (2025: \$50.75m).

\$ 000	2026	2025
Grants committed in previous years but unpaid (2026: 46, 2025: 42)	21,682	19,619
Grants committed in current year but unpaid (2026: 162, 2025: 134)	28,971	31,134
Total outstanding grants	50,653	50,753

10. Foundation Equity

Foundation Equity consists of:

- **Real (Inflation Adjusted) Capital** – the “in perpetuity” nature of the Foundation requires Trustees to preserve Real Capital for the benefit of current and future generations. The original capital arose from the sale of shares settled on the Foundation in terms of the Trustee Banks Restructuring Act 1988. Each year sufficient funds are set aside from Reserves to increase Real Capital by the annual rate of inflation as measured by the Consumer Price Index. The Real Inflation Adjusted Capital and Reserves form the Foundation’s Equity and maintain its capital base. The Foundation is not permitted to make grants from its Real (Inflation Adjusted) Capital. Grants cannot therefore be committed at any time when the Reserves are in deficit.
- **Retained Surplus** – this Reserve is the accumulation of the Foundation’s comprehensive revenue and expense. It is used to provide a stable flow of grants to the Foundation’s communities and to fund other reserves.
- **Asset Revaluation Reserve** – any movement in this Reserve measures the difference between the market value of land and buildings and their pre-valuation carrying value.
- **Reserve for Grants** – this Reserve was held in previous periods for the purpose of providing a stable flow of grants to the Foundation’s communities during times of adverse investment returns. This reserve was utilised in the current period, with the balance at year end being nil.

11. Subsidiaries

Subsidiaries are entities controlled by the Foundation. Financial statements of the subsidiaries are included in the financial statements from the date of control until the date that control ceases. Uniform accounting policies have been used for like transactions. Intra-group balances and revenue and expenses arising from intra-group activities are eliminated on consolidation.

The following entities form part of the Foundation group:

Name	Interest Held	Incorporated Date	Principal Purpose	Charity Registration
ASB Community Trust Limited	100%	29 March 2001	Dormant company	N/A
Foundation North Grants Limited	100%	29 March 2001	Grants for specific charitable purposes	CC38999

12. Related Parties

Key Management Personnel, which comprise of Trustees and the Leadership Group are all related parties.

Trustees are not employees of the Foundation. They are remunerated at rates set by the New Zealand Government.

Honoraria	2026 (\$)	2026 Number of Trustees	2025 (\$)	2025 Number of Trustees
Honoraria payments during the year to Board and Committee Chairs	57,970	2	84,774	3
Honoraria payment during the year to other Trustees	236,032	13	206,323	11
Total	294,002	15	291,097	14

Members of the Leadership Group are also Key Management Personnel. They only receive short-term employment benefits.

Leadership Group	2026 (\$)	2026 Number of Employees	2025 (\$)	2025 Number of Employees
Short-term employment benefit payments to the Leadership Group	1,677,539	7	1,527,509	7

Trustee Liability Insurance

At their meeting on 24 November 2025 the Trustees resolved to effect Trustee Liability Insurance for the sum of \$8m at a premium cost of \$40,456 (2025: \$39,580). After due consideration of a report from the Foundation's insurance brokers and other relevant information, all Trustees approved the purchase of Trustee Liability Insurance by resolution to that effect, along with signing a certificate, certifying that the transaction was in the best interests of the Foundation.

Independent Auditor's Report

To the Trustees of Foundation North

Report on the audit of the consolidated financial statements

Opinion

We have audited the accompanying consolidated financial statements which comprises:

- the consolidated statement of financial position as at 31 March 2026;
- the consolidated statements of comprehensive revenue and expense, changes in equity and cash flows for the year then ended;
- notes, including a summary of significant accounting policies and other explanatory information; and
- the consolidated statement of service performance on pages 7 to 14.

In our opinion, the accompanying consolidated financial statements of Foundation North (the **Foundation**) and its subsidiaries (the **Group**) on pages 7 to 29 presents fairly in all material respects:

- the Group's financial position as at 31 March 2026 and its financial performance and cash flows for the year ended on that date;
- the service performance for year ended 31 March 2026 in that the service performance information is appropriate and meaningful and prepared in accordance with the Group's measurement bases or evaluation methods; and
- In accordance with Public Benefit Entity International Public Sector Accounting Standards (**PBE Standards**) issued by the New Zealand Accounting Standards Board.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (**ISAs (NZ)**) and the audit of the statement of service performance in accordance with the New Zealand Auditing Standard 1 (Revised) *The Audit of Service Performance Information (NZ AS 1 (Revised))*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of Foundation North in accordance with Professional and Ethical Standard 1 International Code of Ethics for Assurance Practitioners (Including International Independence Standards) (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (**IESBA Code**), as applicable to audits of financial statements of public interest entities. We have also fulfilled our other ethical responsibilities in accordance with Professional and Ethical Standards 1 and the IESBA Code.

Our responsibilities under ISAs (NZ) and NZ AS 1 (Revised) are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report.

Our firm has provided other services to the Group in relation to taxation advisory services during the year ended 31 March 2026. Subject to certain restrictions, partners and employees of our firm may also deal with the Group on normal terms within the ordinary course of trading activities of the business of the Group. These matters have not impaired our independence as auditor of the Group. The firm has no other relationship with, or interest in, the Group.

Other information

The Trustees, on behalf of the Group, are responsible for the other information. The other information comprises Foundation North Information, Chair & CEO Reports, Officials' Report on pages 1 to 6, and the List of all Funding Recipients on pages 30 to 41, included in the Group's annual report and consolidated financial statements, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover any other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work we have performed, we conclude there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Use of this independent auditor's report

This independent auditor's report is made solely to the Trustees. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in the independent auditor's report and for no other purpose. To the fullest extent permitted by law, none of KPMG, any entities directly or indirectly controlled by KPMG, or any of their respective members or employees, accept or assume any responsibility and deny all liability to anyone other than the Trustees for our audit work, this independent auditor's report, or any of the opinions we have formed.

Responsibilities of Trustees for the consolidated financial statements

The Trustees, on behalf of the Group, are responsible for:

- the preparation and fair presentation of the consolidated financial statements in accordance with PBE Standards issued by the New Zealand Accounting Standards Board;
- implementing the necessary internal control to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error;
- the selection of elements/aspects of service performance, performance measures and/or descriptions and measurement bases or evaluation methods that present service performance information that is appropriate and meaningful in accordance with PBE Standards;
- the preparation and fair presentation of service performance information in accordance with the entity's measurement bases or evaluation methods, in accordance with PBE Standards;
- overall presentation, structure and content of the service performance information in accordance with PBE Standards; and
- assessing the ability of the Group to continue as a going concern. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate or to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objective is:

- to obtain reasonable assurance about whether the financial statements as a whole and the statement of service performance are free from material misstatement, whether due to fraud or error; and
- to issue an independent auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but it is not a guarantee that an audit conducted in accordance with ISAs NZ and NZ AS 1 (Revised) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate and collectively, they could reasonably be expected to influence the economic decisions of users taken on the basis of the consolidated financial statements.

A further description of our responsibilities for the audit of the consolidated financial statements is located at the External Reporting Board (XRB) website at:

<https://www.xrb.govt.nz/standards/assurance-standards/auditors-responsibilities/audit-report-13-1/>

This description forms part of our independent auditor's report.
