

Applying for a Grant

Our vision is Enhanced Lives.

We work to achieve that by providing grants to support the hundreds of community organisations which help make Auckland and Northland great places to live.

We want it to make it simple to apply, so here is what you need to know:

Quick Response Grants Under \$25,000

Quick Response Grants are designed to meet your funding needs quickly and easily. When you apply for a Quick Response Grant we aim to give you a decision **within two months of receiving a complete application.**

Community Grants Over \$25,000

Community Grants help community organisations with larger funding needs, and can be multi-year grants. If you are applying for more than \$100,000, you must first discuss your application with a Foundation North Funding Advisor. If you apply for a Community Grant, we aim to give you a decision **within five months of receiving a complete application.**

We want our grants to support services, programmes and events that will enhance the lives of people in our communities.

As a strategic grantmaker, looking to contribute towards better outcomes for present and future generations, we want our support to have impact in four key focus areas. From 1 April 2020 our funding decisions will be focused on:

Ngā Hua | Our Focus Areas:

Hāpai te ōritetanga Increased Equity

We will support approaches that achieve the aspirations of Māori and Pacific communities and address systemic and intergenerational inequalities in South Auckland and Northland. Children and young people will be our priority.

Whakauru mai Social Inclusion

We will support approaches that reduce discrimination, racism and social exclusion. Former refugees, new migrants, the Rainbow community and people with disabilities will be our priority.

Whakahou taiao Regenerative Environment

We will support holistic approaches that conserve, preserve and restore the natural environment in our region. Initiatives proposed by tangata whenua that connect social and environmental practices will be our priority.

Hāpori awhina Community Support

We will support participation in positive activities that improve overall wellbeing and:

- bring communities together
- enhance skills and creativity
- build a sense of pride.

Who can apply?

To be considered for funding your organisation needs to be:

- Able to demonstrate charitable purpose. This can be fulfilled by:
 - * an organisation being a registered organisation - charitable trust, incorporated society, Marae, Statutory Body, Branch of an organisation, registered under an Act of Parliament, registered under relevant legislation or a Company with charitable status.
 - * an organisation applying under the umbrella of a registered charitable organisation who will ensure that any grant is used for charitable purposes and that no private or individual gain is generated. Note: This will not exclude the umbrella organisation from applying for its own purpose within the 12-month timeframe.
 - * funding being approved via a contract for services grant to unregistered organisations, companies or individuals directly, that specifies how the funds will be applied for charitable purposes.
- Able to provide us with annual accounts.
- Providing a service, project or programme of benefit to the communities of Auckland and/or Northland. Our boundaries, as defined by our Trust Deed, can be found [here](#).
- An organisation is generally not able to receive more than one grant in a 12-month period. Exceptions will be made, on a case-by-case basis, for organisations providing an umbrella function, where there is a demonstrated and urgent need for additional support or where flexibility in timelines are needed for organisations in transition or organisations engaged in prototype.

When can you apply?

You can submit your application at a time of year that suits you - there are no closing dates for our Quick Response or Community Grants.

However, please note:

- Restrictions on public gatherings and events exist at all COVID-19 Alert Levels - refer to Ministry of Health guidelines [here](#) You may be required to supply confirmation that your project/event adheres to the guidelines of the time.
- If you are applying for an event, submit your application at least six months before the event date.
- We do not fund retrospectively.
- If you are applying for a Community Grant, we have six decision meetings a year.
- Applications can be submitted at any time, and because we do not consider urgent or retrospective applications, we recommend that you submit your request at least five months before you need the grant.
- Funds may be granted to successful applicants once every 12 months.
- Applications should not be submitted less than 10 months from the date of your last grant approval.
- Decisions for building requests for new facility developments over \$100,000 will be made in March 2023. We'll be welcoming expressions of interest in 2022 - please check our website in September 2021 for information about this process.

How do we assess applications?

When you apply for community funding, either a Quick Response or Community Grant, your application will be assessed for the degree of fit your project or initiative has with one or more of our four focus areas.

We also look at the community need for your project or service, and how effectively your organisation can deliver, as well as your organisation's financial position, and alignment to good-practice principles.

- Does the service, programme or event fit with one of our focus areas? If so, in what ways does it fit?
- Are you meeting a community need? If so, is someone else already meeting it?
- Is there collaboration with other organisations?
- Is your organisation in good financial shape?
- Have you thought about risks, such as Health and Safety?
- What sort of evaluation is planned?
- Is your work aligned to good practice principles, if these are applicable?
- Can you effectively deliver?

Before you apply in the Funding Hub

Here are some initial things for you to think about before you submit an application:

- Is your organisation eligible to receive a grant from Foundation North? www.foundationnorth.org.nz/funding/eligibility
- Have you checked the list of what we don't fund? Our list of funding exclusions and limitations: www.foundationnorth.org.nz/funding/about-our-funding/funding-exclusions-and-limitations/
- Which funding programme do you wish to apply for - Quick Response Grant or Community Grant? Check our funding approach: www.foundationnorth.org.nz/funding/
- Please note: if you are applying for more than \$100,000, you must first discuss your application with a Foundation North funding advisor. Call 0800 272 878.
- Have you completed your reporting requirements for a previous Foundation North grant? Go to the Funding Hub or call us to find out if any reports are due. Please note: you can only receive one grant in a 12 month period.
- Do you have a clear idea of the difference (the changes or benefits) that your project/service will achieve or start to bring about? www.foundationnorth.org.nz/funding/about-our-funding/what-we-fund/

How we assess a Quick Response Grant application

The questions below are to help you understand what we look for when we assess a Quick Response Grant application:

- Does your project/service fit with our focus areas?
- Is there a need for what you want to offer the community?
- Can your organisation effectively deliver the project/service for which you want funding? Is another organisation already providing this project/service?
- Is your organisation in a good financial position?
- Have you thought about risks such as health and safety?
- Is your work aligned to good-practice principles, if these are applicable?
